To Whom It May Concern:

This letter is in recommendation of David Roush who has worked with our school for the past several years as a news reporter for WJAC television. As principal of the Brockway Area Elementary School, it has been my pleasure to know and work with David on various activities here at our school.

The Brockway Area School District is a small district in western Pennsylvania. Located away from the major news market areas, it is quite normal for our school to go quite unnoticed to those beyond our students' families and district borders. David has helped change that in his reporting of activities and aspects of our school that we feel warrant distinction. Our "Walking Wednesday" program, "Great Assemblies," and various academic successes have become much better known because of David's reporting.

David is always professional, courteous, and understanding in his dealing with our students and staff. He reporting is accurate and well balanced in its approach to academic and extra curricular areas. When I have called to tell him of an upcoming event, he has always responded whether or not he felt the event warranted coverage or not. I have always appreciated that extra effort.

It is with pleasure I offer my recommendation of David Roush to you. Please feel free to contact me if you need any further information.

Sincerely,

Robert M. Cherubini
