To Whom It May Concern:

As Clearfield County Commissioner, I have had the chance to work with and observe David Roush in his capacity as a reporter covering Clearfield County for WJAC-TV. Mr. Roush has covered many important news stories dealing directly with Clearfield County Government and other stories outside the realm of county government.

Mr. Roush's has covered issues relating directly to the Clearfield County Commissioners including elections, economic development announcements and tourism related news stories. On several occasions, Mr. Roush has interviewed me for various stories and he conducted the interviews in a very professional manner. When conducting an interview, he arrives properly prepared and asks pertinent questions dealing directly with the issue at hand.

Also, I regularly view WJAC-TV news and observe the coverage Mr. Roush gives to all news in Clearfield County and the north central region. At all times, Mr. Roush's reporting shows a fair and balanced approach that provides complete exposure of the story he is covering.

In closing, I would offer my recommendation that David Roush would be an asset to any organization that would choose to utilize his talents.

Sincerely,

Mark B. McCracken  
Clearfield County Commissioner
