Dear News Director,

I am writing to make you aware of the ethics, personality, commitment and concern of David L. Roush. I have known Dave for many years and continue to be impressed and supportive of his many efforts throughout our community.

Most recently, Dave's professional life has involved, and revolved around, his working as a television news reporter for WJAC-TV 6, based in Johnstown, PA. From the day Dave began his job, he was always 'on the job.'

In my position as the President of our Chamber of Commerce • Economic Development, I am a contact person for regional information and am familiar with most of the events taking place. During David's tenure with WJAC-TV 6, he and I have spent much time doing television news spots and sound bites regarding some of issues that have affected our local and regional economy.

David always seems to be in front of his news stories – he knows about them before they happen; I guess that is what makes him such a professional. There have, on occasion, been stories sensitive to timing regarding their announcement. Dave Roush is very aware of these types of issues, and is a very reliable contact working with 'off the record' discussions.

I could go on and on about Dave's professional life, but I think you should also be aware of his community appearance. For years, Dave has been involved in many of our local organizations – all of which have provided much information, compassion and benefit to the people and businesses of our region. If an organization needs to recruit someone with concern and passion for this area, Dave is my recommendation. He puts his heart and soul into anything he accepts as a challenge.

I would be happy to speak with you in person about the positive aspects of having David L. Roush as a employee; I wish I could offer him a position. You and your company would greatly benefit from having a team player such as Dave – he can march on his own and/or he can lead the march.

I wish you success in your search and support your consideration of David.

Sincerely,

Nancy J. Micks
President/CEO
