To Whom It May Concern:

Please accept this letter recommending David L. Roush for your organization. David has shown extreme courtesy to myself and as a County Commissioner has shown professionalism and accuracy reporting on County business.

I have trusted that when David has reported a story, his ability to research and investigate facts, fairness and balance when reporting two-sided controversial stories always comes into play.

In the past, David has been involved in reporting all aspects of County Government, such as our Commissioners meetings, Election Reporting coverage, our 911 Communications Center upgrade and most recently our major prison renovation project.

David has always made himself available at my convenience, which is very important with my busy schedule.

I highly recommend David L. Roush to you and am very confident that he will prove to be a trustworthy and dedicated employee as well as a plus for your organization.

Sincerely,

Jeffrey E. Pisarcik
Commissioner
