To Whom It May Concern:

I write this letter on behalf of David L. Roush. For the past two and a half years Dave has covered Clearfield County for WJAC-TV.

My experience with Dave has been positive. He has covered many important issues, working hard to present all sides of a story and striving to leave his personal opinion aside.

Dave always operates with a high level of integrity. In my many on-air interviews and off-air conversations with him, Dave has always been direct and honest with me. If he said a conversation was "off the record", I always felt confident that it was.

I am confident that Dave will become a valuable asset to his next employer.

Sincerely,

Rex D. Read, Chairman
Clearfield County Commissioner
